WHATSAPP TO PDF MANUAL IN 3 STEPS

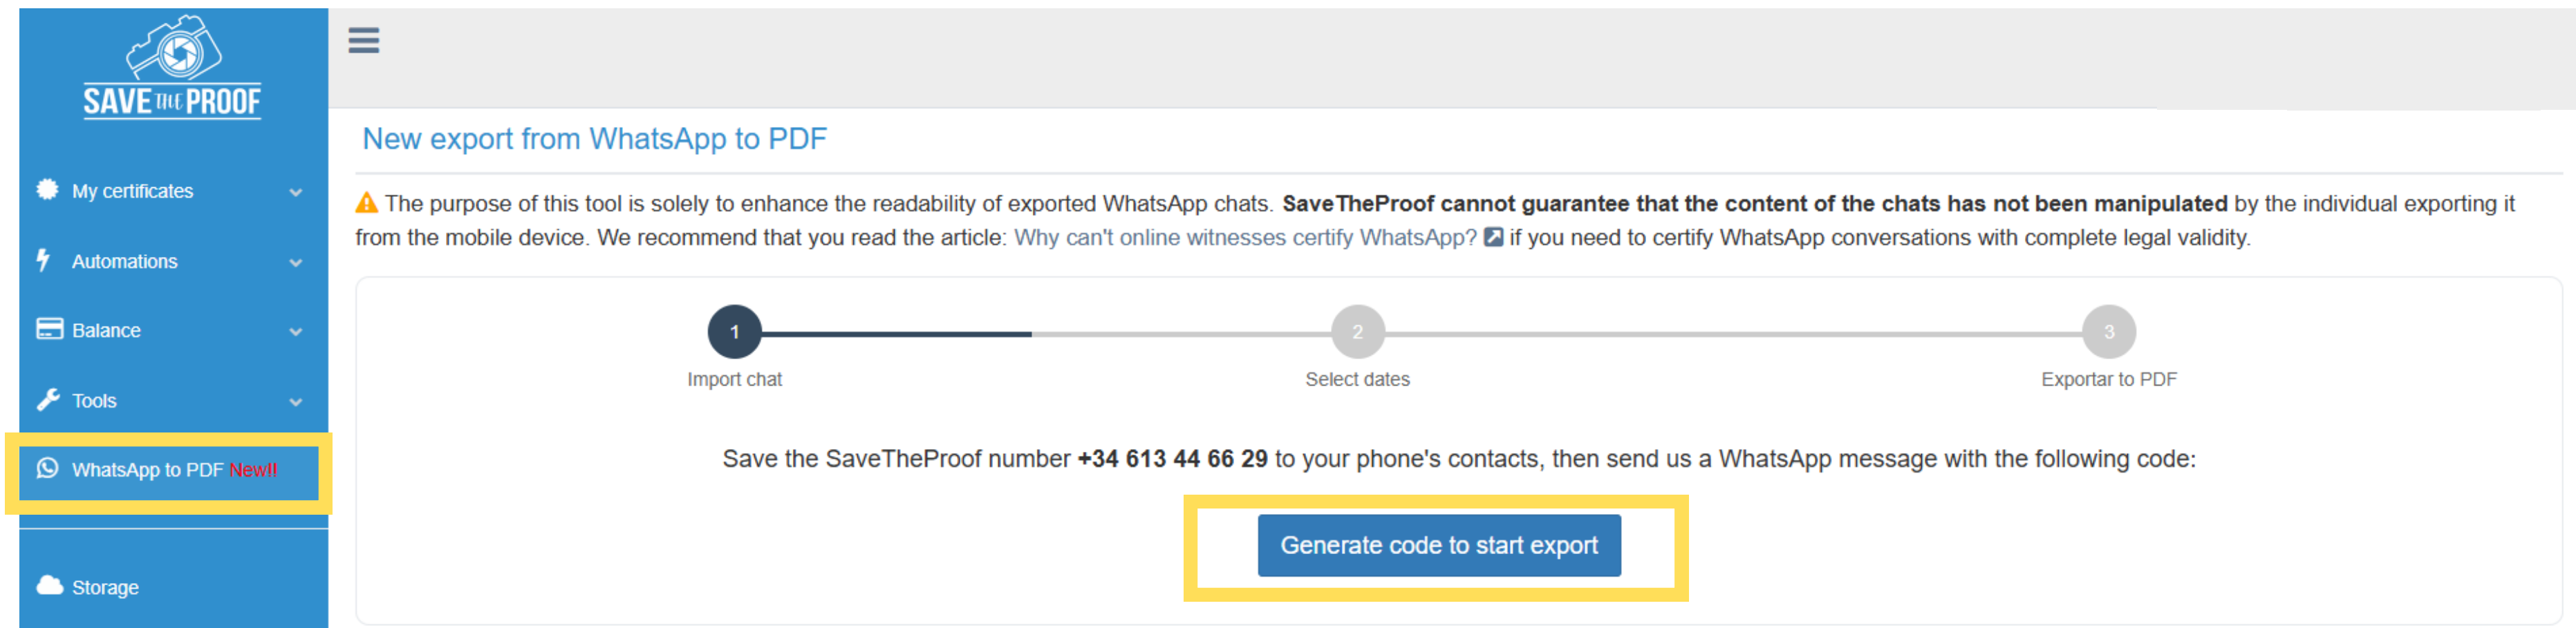

www.SaveTheProof.com

BEFORE YOU START

- Log in to your SaveTheProof.com account, or create one if you don't have one yet.
- Go to the “WhatsApp to PDF” option in the menu on the left side of the screen.
- From the mobile phone you will use to export the chat, save the “SaveTheProof” WhatsApp number to your contacts:
+34 613 44 66 29.
- Click on the “Generate code to start export” button.

The screenshot shows the SaveTheProof website interface. On the left, a blue sidebar menu contains the following items: 'My certificates', 'Automations', 'Balance', 'Tools', 'WhatsApp to PDF New!!' (highlighted with a yellow box), and 'Storage'. The main content area has a grey header with a hamburger menu icon. Below the header, the title 'New export from WhatsApp to PDF' is displayed. A warning message states: 'The purpose of this tool is solely to enhance the readability of exported WhatsApp chats. **SaveTheProof cannot guarantee that the content of the chats has not been manipulated** by the individual exporting it from the mobile device. We recommend that you read the article: [Why can't online witnesses certify WhatsApp?](#) if you need to certify WhatsApp conversations with complete legal validity.' Below this, a progress bar shows three steps: 1. Import chat, 2. Select dates, and 3. Exportar to PDF. The first step is currently active. Below the progress bar, the text reads: 'Save the SaveTheProof number **+34 613 44 66 29** to your phone's contacts, then send us a WhatsApp message with the following code:'. At the bottom, a blue button labeled 'Generate code to start export' is highlighted with a yellow box.

1 IMPORT CHAT

Once the code has been validated, you can proceed with the steps indicated on the screen:

The screenshot shows the SaveTheProof web interface. On the left, a smartphone displays a WhatsApp chat with a contact named '1966-8543'. The chat shows a message about encrypted messages and a ZIP file export titled 'Chat de WhatsApp con EDU SAVETHEPR...' (6.0 MB). The web interface on the right has a blue header with the SaveTheProof logo and a hamburger menu. Below the header, it says 'New export from WhatsApp to PDF'. A warning message states: 'The purpose of this tool is solely to enhance the readability of exported WhatsApp chats. **SaveTheProof cannot guarantee that the content of the chats has not been manipulated** by the individual exporting it from the mobile device. We recommend that you read the article: [Why can't online witnesses certify WhatsApp?](#) if you need to certify WhatsApp conversations with complete legal validity.' Below this is a progress bar with three steps: 1. Import chat (active), 2. Select dates, and 3. Exportar to PDF. The main content area says 'The code has been successfully validated. You can now export the chat:' followed by five numbered instructions. At the bottom, it says 'Waiting to receive the chat export. This may take a few minutes...'.
